

**Letter of Request for "Software License Authorization –SLA"**

---

\$meta:.../

Dear Tao Wang (Kodcloud, China)  
Hello and greetings,

This is a letter regarding on before mentioned **wechat** conversations with  
ID/Name: **mrb1165**/Mohammad Reza

First of all please accept our congratulations on your systematic and successful control of COVID-19 and hope every things return back to ordinary situations as soon as possible.

We are now fighting against the CORVID-19 in our country too and hope could alleviate the case very soon.

Thank you very much for your donation of enterprise version of kodexplorer: **"We finally decide to donate KOD authorization for free to specific universities in Iran"**

As you kindly mentioned:

**" We need two things to get proof 1. Email address with university suffix (used to receive authorization mail) 2. University certificate or signature document"**

1. This email is submitted with **shahed.ac.ir** suffix on behave-of Shahed university ICS lab.  
FYI: Our university is now operates with about 485 university prof/associate prof/assistant prof and instructors and more than 10,000+ students. It is a relatively new-established university (1990).

2. About this item is there any draft of **END-USER SOFTWARE LICENSING AGREEMENT (EULA)** to be signed by our university/laboratory and KODCLOUD?

If yes, please kindly send it to us and to sign and return back to you, otherwise we could prepare our own draft too.

We are ready for any NDA agreement if it is required too.

If you mean any other thing it is required to be signed, please let us know.

Hope to hear your kind attention and reply to this email if applicable.

Sincerely,

M. B. Ghaznavi-Ghouschi

Director of Integrated Circuits and Systems Laboratory (ICS), Shahed University. Tehran, Iran
